## *National Anthem*

Arise, O compatriots Nigeria's call obey  
To serve our fatherland  
With love and strength and faith  
The labour of our heroes past  
Shall never be in vain  
To serve with heart and might  
One nation bound in freedom, peace and unity.

Oh God of creation, direct our noble cause  
Guide our leader's right  
Help our youth the truth to know  
In love and honesty to grow  
And living just and true  
Great lofty heights attain  
To build a nation where peace and justice shall reign.

## *National Pledge*

I pledge to Nigeria, my country  
To be faithful, loyal and honest  
To serve Nigeria with all my strength  
To defend her unity  
And uphold her honor and glory  
So help me God.
