# FUTURE

- **Deepening the dialogues** on future agricultures/ reflections on policy processes in the focal countries and the region
- **Extending the thematic work**, linking with emerging issues from country studies
- **Developing strategies for policy engagement** – with national processes, CAADP, AGRA, DFID, others...
- **Expanding our communications outreach and networking**, including the **FAC website** as an information/debating platform
- **Broadening partnerships** – new collaborators, new countries → West and Southern Africa
